FUEL SURCHARGE CHART

Midwest Express Co. has formulated a fuel surcharge calculation for LTL and TL/EUV/CAP shipments. The fuel surcharge will be adjusted weekly, on Monday morning. Current fuel surcharges will be posted on our website: www.midwestexpressco.com.

Midwest Express Co. LTL and TL / EUV / CAP fuel surcharge table (prices per gallon)

MIN	MAX	LTL %
2.80	2.84	20.0%
2.85	2.89	20.5%
2.90	2.94	21.0%

6.05	6.09	52.5%
6.10	6.14	53.0%
6.15	6.19	53.5%
6.20	6.24	54.0%
6.25	6.29	54.5%

If the price for a gallon for diesel fuel rises above the prior tables prices, the surcharge will increase proportionately. Fuel surcharges are subject to change without notice. Fuel surcharges are shown as separate charge on your invoice.

* LTL - less than truckload shipment
 * TL - Truckload shipment

*EUV - Exclusive vehicle use shipment
 *CAP - Shipments rated by using a CAP rate
