**ADDENDUM JANUARY 1, 2009**  
**EFFECTIVE JANUARY 1, 2009, MIDWEST EXPRESS CO WILL BE**  
**APPLYING A FUEL SURCHARGE ON ALL SHIPMENTS.**

*The cost of fuel has risen over 20% in the past several months and continues to rise, resulting in an increase in the cost of operations, that we have no control over. We are, therefore forced to assess this surcharge to offset the cost increase. The fuel surcharge will be applied based on the National Diesel Fuel Index, as it is published weekly on our website.*
